- Philippians 4:13 -

2023 YOUTH THEME

"What does this year's theme, "I Can Do All Things through Christ," have to do with a pile of rocks? Well, we're not talking about just any pile of rocks. We're talking about cairns, which are often placed as landmarks to guide hikers on unmarked trails. Cairns mark paths that are used less often. Cairns keep you on course when the trail is hard to see. Cairns mark the safest route. Cairns lead the way to your destination."

Can you think of other symbolic ways cairns can remind us of Jesus Christ?

Share your Cairn with the Church General Presidency

Send us a picture of your cairn and your testimony of this year's theme by emailing youth@ChurchofJesus-Christ.org. Put "Gospel Living" in the subject line.
